How to get involved in shaping Reading's climate action priorities for 2025 – 2030

## READING CLIMATE EMERGENCY STRATEGY 2025 - 2030

The table on the next page sets out opportunities for the people of Reading to participate in shaping and delivering our town's next set of **priority climate actions**. Your inputs will feed into the **Reading Climate Emergency Strategy 2025 – 2030**.

Reading Climate Change Partnership – the steering group of Reading Climate Action Network (ReadingCAN) – is partnering with Dialogue Matters to deliver this programme of stakeholder participation and engagement activities, i.e. our **Year of Climate Engagement**.

## OPT IN

- To receive the surveys, prompts, discussion packs, invitations and other communications **relating to this stakeholder participation process** from ReadingCAN – please sign up to our [Reading Climate Engagement Email List](#). We will also use this list to share the Draft Report on the Year of Climate Engagement and the final Reading Climate Emergency Strategy for 2025 – 2030.
- You can also sign up to the [ReadingCAN Newsletter](#) for general news about the wider Reading Climate Action Network.
